Hello Friends!

This April The Steel School of Irish Dance supported by The IDOSS (Irish Dancers of Steel School) Society, presents the long awaited first annual Sea to Sky Open. It has been almost 30 years since The Steel School has hosted a Feis (Gaelic for Festival and is commonly used to describe an Irish Dance Competition) and we couldn't be more excited to bring this opportunity not only to our own dancers but welcoming dancers from across North America!

Along with the countless hours of volunteer time, there are substantial costs associated with hosting a Feis such as facility rentals, flights, food and accommodations for adjudicators and a huge amount put towards awards (especially the first year as we set up our perpetual trophies).

If you or your company would be interested in Sponsoring our Sea to Sky Open, it would be greatly appreciated. We have 5 different levels of sponsorship packages or we are also looking for raffle basket donations. Thank you for any support you are able to provide as all help brings us closer to two fun filled days for the dancers!

If you have any questions or require any further information, please don't hesitate to email us at seatoskyopen@gmail.com or call Erin Drake at (604) 250-5032

About the Steel School of Irish Dance

The Steel School of Irish Dance was founded in 1981 by Carol Del Bianco in Vancouver, British Columbia, and has since expanded to hold Irish dance classes in Cloverdale and White Rock. The school was taken over by Carol's daughter Jacquelyn Hardyck in 2009. From a small group of less than 20 dancers, the school is now home to over 100 students!

Dancers at Steel School range in age from 3 to adult and classes range in level from new beginner through open championship. Since the school opened, dancers have competed and been successful at Regional, National and the International level.

Dancing in the community and sharing our love for Irish dance is very important to us. When we're not competing, you can often find us dancing at various venues throughout the year. Dancers from the school perform at weddings, birthdays, community festivals, trade fairs and nursing homes just to name a few!

With all the preparation, performances, competitions and travel, both the dancers and their families develop life long friendships.
